

Join us for *anti-poverty* week!

"Don't struggle in silence"

This Anti-Poverty Week, the Salvos want to encourage you to have the money conversations you need to have. Many Australians are facing money problems, yet too many people wait until they are at crisis point before reaching out for help. Having regular and honest money talks with loved ones and professionals is the first step towards financial freedom.

**Free Lunch, tea and coffee
Entertainment provided**
